2019 WASHINGTON, DC

Advancing Science for the Health of Women: The NIH Office of Research on Women's Health (ORWH)

May 5, 2019, 10 a.m. – 12 p.m.

Representatives from the National Institutes of Health (NIH) Office of Research on Women's Health (ORWH) will describe key policies and programs overseen by the office. The mission of ORWH includes strengthening research on health conditions that affect women and developing opportunities for women in biomedical careers. Following the presentations, there will be opportunities for discussion and questions on the topics presented and related areas of interest to participants.

Second Joint OSSD/IGM Meeting Washington, DC, USA May 5 – 8, 2019
